Councilmember Frye Rejects Proposed 25% Pay Raise

Frye calls raise "inappropriate"

San Diego, CA- Today, City Councilmember Donna Frye stated that she would reject a proposed 25% raise to Councilmembers salaries.

Frye said that, "During these troubled financial times, it is inappropriate to ask for or accept a raise of any kind. For any elected official in the city to consider a 25% pay raise while discussing cuts in public services is just plain wrong."

The San Diego City Salary Setting Commission met yesterday and recommended that the Mayor and Council receive a 25% pay increase in the 2007-2008 fiscal year. The Commission also recommended that the Mayor and Council receive no pay increase in the 2006-2007 fiscal year.

Frye is the Councilmember for the Sixth Council District of the City of San Diego, which includes the communities of Clairemont, Kearny Mesa, Linda Vista, Mission Bay, Mission Valley and Serra Mesa. She has served on the City Council representing District Six since June 2001. She is currently the chair of the City Council's Natural Resources and Culture committee.
